

Give It One More Chance

# Starting Out

## Worksheet

Write down your feelings right now in your relationship and as you start out this program.

Name the country you chose to represent your world:

In your country, what is the current stage of your relationship?

If you had a magic wand, what would your ideal relationship look and feel like?

In your country, what needs to change in you, your partner and in your “we” for this vision to become reality?
